

**CHINA COIN**

**\$CHINA**  
WHITE PAPER

## 1. ABOUT \$CHINA

\$CHINA is a cultural movement on the fastest blockchain in the world: Solana. Inspired by China's unstoppable rise, its lunar vision, and its global influence, \$CHINA represents the awakening of a new crypto power.

In a sea of memecoins \$CHINA arrives with a bold, symbolic identity — fueled by the energy of a community that looks to the sky and sees only one destination: the moon.

This is the first China-themed coin launched on the Solana blockchain, merging speed, scalability, and culture to create a unique experience for both holders and meme lovers alike.

We're not just a coin.  
We're a digital empire on the rise.

To the moon? No. To the dragon moon!

## 2. VISION AND MISSION

### VISION

We envision \$CHINA as a global cultural symbol in the world of decentralized finance — a token that not only represents fun and memes, but also unity, pride, and ambition. As the first China-themed memecoin on Solana, \$CHINA seeks to lead a new generation of crypto communities that embrace both tradition and futuristic innovation, while inspiring global participation and engagement.

### MISSION

Our mission is to build a community-driven digital asset that celebrates Chinese culture, humor, and innovation through the power of blockchain technology. \$CHINA aims to empower users with a decentralized and entertaining platform that promotes cultural expression, financial creativity, and collective growth — all on the high-speed, low-fee Solana network.

## 5. COMMUNITY

\$CHINA is a community-first project. Every decision, meme, and mission is driven by its holders. We believe in the power of digital culture, humor, and unity — and our community is at the core of everything we do.

How to Get Involved:

- Connect with the community on Telegram and X (Twitter). Share your ideas, participate in polls, and stay updated.
- Create memes, tweet your takes, and raid trending threads. The stronger the hype, the stronger the coin.
- Help shape the project's future by voting on proposals and suggesting new initiatives.
- Engage with official events and campaigns.
- Build with us - Designers, devs, influencers, meme lords — everyone is welcome to co-create the \$CHINA ecosystem.

This is more than a coin. It's a movement powered by community — and the moon is just the beginning.

## 6. CORE VALUES

### 1. Community First

The strength of \$CHINA lies in its people. Every voice matters. Decisions are made with, by, and for the community.

### 2. Cultural Identity

\$CHINA honors Chinese heritage, symbolism, and storytelling — blending tradition with modern digital expression.

### 3. Decentralization

We believe in open access, permissionless participation, and shared ownership through blockchain transparency.

### 4. Memes as Power

We see memes as a language of connection, a source of influence, and a gateway to mass adoption in the crypto world.

### 5. Transparency and Trust

Clear tokenomics, locked liquidity, and honest communication form the backbone of \$CHINA's credibility.

## 7. CONCLUSION

\$CHINA is more than just a memecoin — it is a cultural symbol, a community-powered movement, and a digital tribute to ambition and innovation. By launching on the Solana blockchain, \$CHINA combines speed, accessibility, and creativity to offer something unique in the ever-growing crypto space.

From its fair and transparent tokenomics to its strategic roadmap and vibrant community, \$CHINA is positioned not only to entertain but to empower. This project embraces the values of decentralization, cultural identity, and collective growth — setting the stage for a bold journey to the moon.

Whether you're here for the memes, the mission, or the movement, **\$CHINA welcomes you to be part of its rising digital empire.**

**The future is red and gold.**

**The future is \$CHINA.**
